COMPANY PROFILE

CEEK TRUCKS INDUSTRY CO., LIMITED (hereinafter referred to as "CEEK TRUCKS ") is a top package waste management equipment solution provider in China especially for garbage compactor truck and sewage suction truck. We are always committed to offer our respectable customer high quality products with reliable performance, competitive price and sincere services ensuring every engineering project to be run smoothly and on schedule. With over 10 years' experience in the field of engineering industry and accompanying to fulfill strictly ISO 9001:2008, SGS, Contecna, BV standard.

CEEK TRUCKS is ready to provide products and services with professionalism, reliability and commitment. Since the year of 1983, we had established and have been consistently keeping good business relationship with many world famous general contractors like Vinci Construction, China State Construction Engineering Corporation, Enka Group and, as well as many local civil engineering & building companies throughout the world. The bigger projects in which we participated as package equipment provider previously are including an airport project in Algeria, a power plant project in Indonesia, a dredging project in Nigeria, a highway project in Congo, a rural and municipal road project in Libya and, still we are achieving more and more projects at present. To provide reliable products with quicker delivery time, to make prompt reaction for spare parts and after-sales services, to visit our users' field regularly for local training and maintenance, which have been often praised by our customers and, have taken great reputation for Sinoway as a trustworthy partner.

CEEK TRUCKS believe in putting our own benefits together with our customers' benefits in the same boat. Open communication, effective planning and elaborative preparation always commit ourselves to execute and deliver our promises for our customers. We are proud of our Professionalism, Reliability and Commitment. We firmly believe these 3 elements are the equally important keys to ensure the success of your global purchasing programs for any projects.

Yours success, CEEK TRUCKS' commitment!
